Presidents Report: Beautify Niagara clean up is April 30. MaryJo Sutter and Ruth Cooper will coordinate. Sr. Barbara has tools available and Pres. Cooper will contact Fellowship House for volunteers. John met with John Caso and requested the ZOOM team finish our area and follow up on some of last year's problem houses.

Treasurers Report: Current balance is \$1110.39. \$80.54 in bills were submitted for payment at the meeting and will be deducted for the next report. Report was approved as submitted.

Minutes of the last meeting were approved as submitted.

Old business: Several complaints were received about Fellowship House which continues to store used cooking oil in the back yard and still has problems with residents congregating in the alley. A home with the windows falling out on Memorial Parkway will need to be reported to the Inspections Dept. as it is presenting safety problems. We need to keep an eye on South Jr. as older kids are hanging out there after dark, which is OK as long as no damage is done.

New Business: Kathie Kudela announced an Easter egg hunt at the NACC. She also needs volunteers for Arts in the Park July 16th.
